THE 185TH STREET MULTIMODAL CORRIDOR HALF-TIME SHOW

Join us on April 16th for our guest speaker **Nora Daley-Peng, Senior Transportation Planner**. Over the past few months, the City of Shoreline staff have taken feedback from the first round of public outreach from last fall on the 185th Street Multimodal Corridor Strategy and developed several options for the corridor. Come, review the options, and provide input to help develop the optimal concept for each segment of the corridor. Staff will take a final concept plan to the Council for review in the fall of this year.

We will be joined by the Meridian Park Neighborhood Association and meet in the Council Chamber on the main floor at Shoreline City Hall for this informative meeting. Invite your neighbors and let's fill up the room.

DENSMORE PATHWAY SPRING SPRUCE UP Saturday, April 13th, 10-1 PM

Have you found your garden gloves since Spring and warmer days have finally arrived? Bring them and any favorite garden tools and join us Saturday, April 13th from 10-1 PM at the Densmore Pathway for our Spring Work Party, and even a surprise "Nature Treasure Hunt"! Tote along a sack lunch if you wish, and remember to wear a hat because that sun may even shine! We'll have cool water, warm tea and a few snacks to keep you energized.

Our new Little Free Library and Message Board await the exchange of used books and news. Native shrubs and Spring flowers will be blooming to enjoy as we weed, add a few new native plants and chat with your neighbors! Meet at the east end of the Pathway at Densmore Ave N and N 188th. OK, maybe rain gear if necessary! Hope to see you there and bring a neighbor with you.
