AGING IN PLACE, BUILDING NEW SCHOOLS, AND IMPROVING MERIDIAN AVENUE

Tanya McGee, Region Lead with Sound Generations (formerly known as Senior Services), will talk about resources available in the community for older adults, younger disabled adults, and caregivers. Topics covered will include staying independent in your home, stretching your dollar, and caregiver support.

Eduardo Aban from the Shoreline Public Works Department will tell us about the road improvements on Meridian Avenue North. This includes new asphalt pavement from 190th to 205th, and Americans with Disabilities Act (ADA) compliant sidewalk corners and ramps and some sections of sidewalk damaged by tree roots.

Join us for another informative evening with your Echo Lake neighbors.

THANK YOU TO THE DENSMORE PATHWAY WEEDING WORK PARTY VOLUNTEERS! N 188th St between Densmore & Ashworth Avenues

The work party crew at the Densmore Pathway Weeding event on October 8th was small, but mighty. Thank you to the eleven volunteers who donated 31 workhours of time and accomplished a great deal of weeding, pruning, and removing blackberry vines. In addition, mulch was spread around the landscape, at least 30-40 wheelbarrow loads of wood chips! The weather cooperated, which was a bonus for the willing workers.

ELNA is responsible for maintaining the Pathway in an agreement with the City of Shoreline when we received mini-grant funding to install the Pathway. All efforts to maintain the Pathway are appreciated.

Watch for the signs on the Pathway, and this newsletter, next Spring announcing the next Weeding Event. You don't need to be a "green thumb" gardener to join in the work party. There's a job for you!
