## SHORELINE'S FUTURE: MUSIC, FILM, AND MARKETS

Our speaker for November will be Economic Development Program Manager Nathan Daum.

Nate will update us on the big projects in Shoreline – the Shoreline Place Community Renewal Area (old Sears site) – the old police station property – and a large property on Aurora (Drager's Classics).

He's working with a couple of local industries – filmmaking and music. For example, two film crews leased the former police station from us as a production office and shooting location, one after another; one project included Tom Skerritt.

The Farmers Market and the Aurora Borealis are examples of small projects that are thriving, and Nate has info about them, as well. Don't miss this informative meeting!

### BE STORM READY THIS WINTER

With winter approaching, it's good to know that the City of Shoreline has been recognized by the National Weather Service as being a StormReady community since 2006. To do your part, check out the City's website at <http://www.shorelinewa.gov/services/emergency-services/stormready>, so you'll be properly informed and prepared for rain, wind and snow.

### SKIP THE STRAW – TAKE THE PLEDGE!

The City is partnering with Ocean Conservancy to reduce plastic pollution and encourage Shoreline residents and businesses to "Skip the Straw." Many straws end up in streams and the ocean where they can pollute habitat for salmon, orcas and other species. Knowing that straws can be needed for medical reasons, if you're one who can "Skip the Straw," take the pledge for the Echo Lake Neighborhood at [www.shorelinewa.gov/skipthestrav](http://www.shorelinewa.gov/skipthestrav).

### COMMUNICATION TIPS

If you gave us your email at a meeting or event and you did not receive anything from us, send an email to [elnaboard@gmail.com](mailto:elnaboard@gmail.com).

If you sign up for Next Door, you have to complete all the information asked for, and you have to confirm your membership, which may mean replying to an email.

### BOX TOP\$ FOR EDUCATION IS CHANGING

Box Tops is changing to fit today's families. The new and improved Box Tops mobile app uses state-of-the-art technology to scan your store receipt, find participating products and instantly add Box Tops to your school's earnings online. Box Tops are still worth 10¢ each.

If you see this label, use the new Box Tops app to scan your receipt. Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging.

In the meantime, **traditional Box Tops clips will be collected until the November 19<sup>th</sup> ELNA meeting** or may be delivered directly to Echo Lake Elementary. Thanks to all of you who have donated Box Tops to Echo Lake Elementary over the years. Our hope is that you will continue to support the school with 10¢ digital Box Tops.

For more information, visit [www.boxtops4education.com](http://www.boxtops4education.com). Also, don't forget the school collects used printer cartridges as a fundraiser too.

### DENSMORE PATHWAY AUTUMN UPDATE

Thank you to the 13 volunteers who combined for 30 hours of work on the Densmore Pathway on October 5<sup>th</sup>. Our award-winning Pathway looks so much better!
