## STREETS OF THE CITY

Assuming conditions permit on April 21st, ELNA will hear from Mayor Hall, Transportation Senior Planner Nora Daley-Peng and Engineer Zachary Evans.

From Mayor Hall: There is no agenda, just a little time for the Mayor to introduce himself, thank people for supporting their neighborhoods, and answer questions.

From Nora Daley-Peng, AICP, ASLA, LEED AP, Senior Transportation Planner: Updates on the 185<sup>th</sup> St. Corridor and 195<sup>th</sup> St.

Recently, the Washington State Transportation Improvement Board (TIB) awarded the City a \$500,000 Complete Streets grant, thanks in part to a nomination from Feet First. This grant will be used to build a shared-use path from 5th Avenue Northeast to the entrance of the 195th Street Pedestrian Bridge. The City is looking forward to completing this last, vital pedestrian/bike connection to the bridge for the improved access and enjoyment of Shoreline residents.

The project manager, Zachary Evans, will come and give a brief presentation about the project's scope and schedule.

### SPRING SPRUCE UP AT DENSMORE PATHWAY

Come join us at ELNA's own Densmore Pathway for our Spring Work Party on Saturday April 18<sup>th</sup> from 9 am-noon. Whether you have just a few minutes to stop by while out on your walk or can stay long enough to get your hands in the soil, all are welcome!

Meet the new Echo Lake Watershed salmon (art), share ideas with your neighbors and simply enjoy the spring flowers and nest building birds! We'll be trimming, pulling, planting and exchanging ideas and maybe even a few free plants. You'll find us at N. 188<sup>th</sup> at the Pathway between Ashworth and Densmore Avenues North. Start on the Densmore side. Bring your favorite garden tools and gloves. Warm drinks, light snacks and welcoming neighbors will be waiting for you!

### ACTIVITY CANCELLATIONS IN MARCH

It was unfortunate to need to cancel some of our scheduled activities in March, but it was the best thing to do for everyone's safety. We are hoping to reschedule our topic of Shoreline Community Court with Judge Joe Campagna and also the free classes on Growing a Healthy Lawn Naturally with Instructor Ladd Smith of In Harmony Sustainable Landscapes. Watch for information in this newsletter and on our social media.
