EMERGENCY PREPAREDNESS – ARE YOU PREPARED?

The City of Shoreline is committed to being prepared in the event of an emergency. It is the governmental policy of the City to protect lives, property, the environment, and the economy during an emergency or disaster. The City of Shoreline has an Emergency Management Coordinator that oversees the planning, response, mitigation and recovery processes. This is done in collaboration with Shoreline Police and other community partners such as the Fire Department and utilities serving Shoreline. Learn more about emergency management and the new community preparedness programs when **Brian Dixon, Shoreline’s Emergency Management Coordinator**, joins us for our February 21st ELNA meeting.

Don’t miss this opportunity to hear about what a Ready Neighborhood is and what you can do to prepare your home, workplace and vehicle for unexpected emergencies. Planning with your family and neighbors can make a big difference in ensuring your safety and well being. Bring a neighbor with you to the meeting!

JANUARY ROUND TABLE MEETING RECAP

Thank you to all who attended the January ELNA meeting. Volunteers were recognized for their contributions and Board elections were held. Returning for another term on the ELNA Board are Diane Finafrock, Diane Hettrick, Dale Lydin, Jeanne Monger, Jay Sundahl, and Marla Tullio. Per our Bylaws, the ELNA Board may consist of up to 8 members, who operate as an equal team. As Nan Colton and Ellen Wood have completed their terms on the Board, there were two openings. Cathy Goodrich was elected to one of the positions. Welcome Cathy! Officers are chosen within the Board. Diane Hettrick will be Secretary and Contact Chair for communications, and Dale Lydin will serve another term as Treasurer.

Many thanks to Ellen Wood and Nan Colton for their dedicated service on the ELNA Board. Ellen served for five years and Nan served for three years. Their contributions of time and talent were very much appreciated.

Neighbors engaged in a Round Table discussion with valuable input exchanged regarding the successes and concerns in our neighborhood, as well as topic ideas for future meetings.

DENSMORE PATHWAY MINI-GRANT PROJECT

We are working on the final stages of our Densmore Pathway Project thanks to monies received via a 2016 City of Shoreline Neighborhood Mini-Grant. Watch for the new Pathway identification signage and a pine green, metal "tree" bench when it's in place for all to use! Stop by soon to sit and enjoy the newly changed space and listen to the birds, including our resident Merlins! This bench will be easily accessed off Ashworth Ave North and North 188th Street. Plans are underway for a neighborhood "bench warming" celebration, so stay tuned!

GOAL TO INCREASE NEIGHBOR INVOLVEMENT

One of the goals of the ELNA Board is to increase our free membership. We are a friendly, inclusive group and have wonderful and interesting speakers at our meetings. Check us out! Third Tuesday, 7-9 pm, City Hall. Invite your neighbors to get connected with us too.
