SHORELINE COMMUNITY COURT

Shoreline began Community Court on January 7th of this year. Based on a successful model in the city of Redmond, the Court is designed to handle low-level offenders and help them successfully exit the criminal justice system.

In a recent article, Mayor Will Hall said “Sometimes the criminal justice system can seem like a revolving door. A handful of people getting arrested, going to court, going to jail, getting out, and getting arrested again. If we can intervene and provide the right assistance at the right time, we can break the cycle and make our community safer.”

The court is held weekly. By the time of our March meeting, there will have been ten sessions.

Shoreline District Court Judge Joe Campagna will tell us how it’s going. Was the planning successful? What has been learned? What needs to be improved?

Most importantly, how are people responding to this wraparound treatment?

FREE CLASS: GROWING A HEALTHY LAWN NATURALLY

Do you want a healthy, attractive lawn that is less work to maintain and is safer for kids, pets, and the environment? The City of Shoreline is offering two free lawn care classes with instructor Ladd Smith of In Harmony Sustainable Landscapes on **Wednesday, March 25th, 6:30-8:00 pm** and **Saturday, March 28th, 10:30-12 noon** at City Hall. In each session, Ladd will walk through the five steps to creating a healthy and sustainable lawn from the roots up, covering soil health, proper mowing, watering and fertilization, and pest management, as well as lawn renovation and alternatives. City Staff will also provide information on the \$2,000 Soak It Up rebate available for native landscaping and rain gardens. Both sessions will cover the same topic, but the Saturday session includes a hands-on demonstration, so please dress for the weather. For more info and to RSVP, visit shorelinewa.gov/naturallyardcare or call Cameron Reed at (206) 801-2455.

ASHLEY HOUSE GROUNDBREAKING

Join us on **Thursday, March 19th, 9:00 am**, as we break ground on **Bridges to Home** - the first pediatric skilled nursing program in the state to focus on providing transition from hospitalization to home care.

18904 Burke Ave N Shoreline, WA 98133

Groundbreaking - Tours - Light Breakfast
This event is free and open to the public.

EMERGENCY PREPAREDNESS – BE PREPARED!

We were fortunate to have Shoreline Emergency Management Coordinator Jason McMillan as our featured speaker in February. With a variety of disasters possible in our City, his main message was to be prepared with an emergency kit for your home, car and work to be self-sufficient for 3-5 days and preferably longer. Kits may be purchased ready-made, or you can assemble your own with items you will need in an emergency for your family and pets. Be sure to include copies of personal documents, important papers and some cash (banks or ATM's may not be working). For more info, visit <http://www.shorelinewa.gov/services/emergency-services/emergency-management>.
