WHAT'S THE LATEST IN RECYCLING?

At our May meeting we will hear the latest about recycling in Shoreline to keep more of our “stuff” out of the garbage.

Our guest speaker will be **Elizabeth Szorad, Waste Zero Specialist for Recology Cleanscapes**. Recology Cleanscapes is the garbage, recycling and composting company serving Shoreline. She will be answering questions such as: Do cardboard and other boxes need to be flattened if recycled and not re-used, such as mail order and cereal boxes? Are there alternatives to plastic to reduce plastic use? Do the plastic wrappers on drink bottles, such as soda and fruit juices, need to be removed? Clarify about wet and clean items, like plastic drink bottles where lids can be left screwed on? How clean is clean for food containers and bakery takers? Where does the recycling go after it leaves the recycle center? What type of disposable food containers and cups are compostable?

In addition, we will find out more about the Recology Store in Shoreline at 15235 Aurora Avenue North, on the west side of Aurora and across from Parkwood Plaza. Learn about what services are available there.

Join us for this very informative night and the answers to these questions. Bring your own questions – and your neighbors – too!

Come to Echo Lake Park (N 199th & Ashworth Ave N) for a fun summer evening. A food truck and dessert cart will be available on 8/16 & 8/23 for you to purchase some delicious food. Bring your family and a blanket, enjoy the music and visit the playground turtle!

DENSMORE PATHWAY WORK PARTY

Thank you to 18 volunteers who braved the very rainy day on April 14th to spruce up the Densmore Pathway between Densmore & Ashworth Avenues at N 188th St. Special thanks to Sky Nursery for donating gravel to add to the Pathway, and to Northwest Land Service for lending a plate compactor to pack it down. With everyone's help, we were able to clean up the gardens, add some new native plants, spread more wood chips, and replenish the gravel along the Pathway. It looks great!
