

November 2017

## ECHO LAKE NEIGHBORHOOD ASSOCIATION

**Meeting - Tuesday, November 21, 7:00 - 9:00 p.m.**

**Shoreline City Hall, Room 303**

**17500 Midvale Ave N, Shoreline WA 98133**

*Parking available in two-level garage; entrance on north side of complex.*

## WINTER IS COMING – BE PREPARED

Where's the flashlight? Is the dog still outside? Hey, the pipes must've froze overnight - we have no water! If this sounds familiar you know it's time to admit winter is on its way. The Pacific Northwest is likely to have another La Niña winter, although one never knows just how wet or cold so best be prepared.

Come learn tips for winterization and how to avoid not only minor "inconveniences" but potentially dangerous situations that affect you, your family and pets, and the community. Speakers will be joining us from Home Depot and the Shoreline Fire Department.

Also remembering those who may be more exposed to the cold outdoors and not able to purchase thick socks or that rain proof jacket, we'll be accepting donations of new socks and new or gently used cold weather clothing to share with those in need. Cash donations should go directly to non-profit organizations.

### DENSMORE PATHWAY WEEDING WORK PARTY

The Densmore Pathway Work Party event took place on October 7<sup>th</sup>. Thank you to the volunteers who gathered to spruce up our award-winning Pathway. The crew was small, but mighty, and accomplished tasks like pruning, weeding, and planting some new native plants.

Part of the agreement for the City of Shoreline Mini-Grant to build the Pathway by volunteers was to maintain it in the future. Look for an **Earth Day Work Party Event in April** to join in to fulfill our agreement and meet with other neighbors. It's amazing how an overgrown stretch of land by N 188<sup>th</sup> between Ashworth and Densmore Avenues was transformed into a user-friendly Pathway enjoyed by many pedestrians and dog walkers.

### OCTOBER MEETING RECAP

Thank you to our October speakers, who enlightened us to all of the opportunities for Adult Education, as well as youth programs offered. Mary Ann Kelly, Spartan Recreation Center Manager, and Jon Ann Cruver, Shoreline-Lake Forest Park Senior Center Program Coordinator, spoke about the many classes offered at both facilities. We were also joined by President Dr. Cheryl Roberts and Dr. Alison Stevens, Executive Vice President for Student Learning and Success, at Shoreline Community College, who shared about their many opportunities for classes and activities.

### SHORELINE VETERANS DAY CELEBRATION

On Saturday, November 11, the Shoreline Veterans Association, with support from the Starr Sutherland, Jr. American Legion Post 227 and the City of Shoreline, will hold its annual Veterans Day Celebration honoring all U.S. military veterans. The event is open to the public.

The Shoreline Veterans Association, the Starr Sutherland, Jr. American Legion Post 227, and the City of Shoreline would like to recognize the contributions of the men and women in the military who have served our country and who have given so much for the cause of peace.

All veterans of any U.S. military service and all who want to honor their service are invited to this annual recognition event. A short program will be followed by refreshments.

ELNA purchased one of the bricks for the Shoreline Veterans Recognition Plaza at City Hall. The brick is engraved with "ECHO LAKE NEIGHBORHOOD HONORS VETERANS." If you haven't seen it yet, check it out!

### MEETING ROOM REMODELED

The room where ELNA meets on the third floor of City Hall has been remodeled. Room 301 is now Room 303, which isn't the only change. The meeting room is larger than before, includes a storage closet, and new carpeting. We appreciate the City of Shoreline providing this meeting space for us free of charge. Come to check it out at the November meeting. Also in progress is the construction involving the eventual move of the Shoreline Police Department to the City Hall campus.

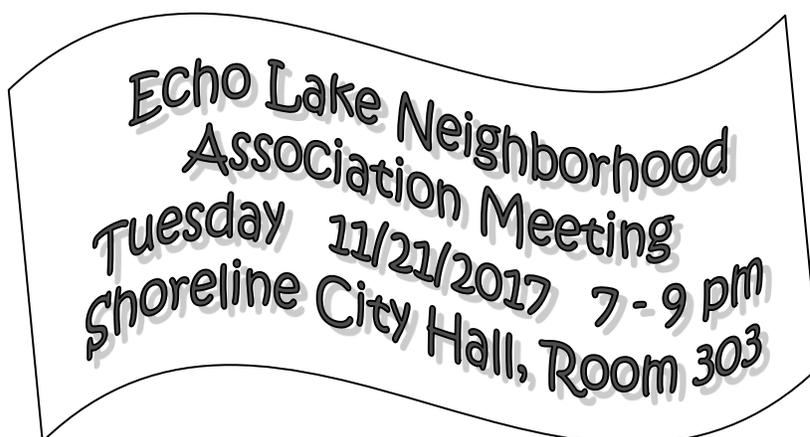

## Mark Your Calendar
